

The Ring 96, Victor Cohn, Magic Estate Sale (Episode 17)

Want to learn some new magic? Want to buy some new magic? Victor Cohn, a long time member and good friend to Ring 96 has left his magic collection for us to sell. The money brought in from these sales will be split in half between Ring 96 and a kids Summer Camp that Victor liked to support. The share that Ring 96 keeps will help offset our monetary reserve which is dwindling since we are not taking in the cash flow from the raffle that we usually do. So, anything you purchase here will help support your club.

To make a purchase, e-mail Ring Secretary Cliff Gerstman at cliffg37@verizon.net The "winner" of the item will be either the first one to make the request or, if you really love Ring 96, the highest bidder.

Most if not all of these items, and those to be posted in the future, are too big, or too heavy or too expensive to mail, so we will have to meet either at my house in Long Beach, or at an agreed upon location. I will be wearing a mask, please do the same.

Payment options: **Prefer checks made out to "Ring 96."** If that does not work for you, we can talk.
